YORKTOWN PATRIOTS
vs
EDISON EAGLES

22 MARCH 2010

"The leaders who work most effectively, it seems to me, never say "I." And that's not because they have trained themselves not to say "I." They don't think "I." They think "we"; they think "team." They understand their job to be to make the team function. They accept responsibility and don't sidestep it, but "we" gets the credit. This is what creates trust, what enables you to get the task done."

*Peter F. Drucker
1909-2005*

Welcome to the 11th season of Yorktown Patriots Lacrosse. Over the past ten years, the Yorktown lacrosse team has grown from a young team into a tradition within Arlington County. The players this season are the same as those first players to wear the Patriot colors in the Spring of 2000. They are hungry for the competition. They are playing for the love of the game and for their teammates next to them. These players have come together through their hard work and sacrifice in order to play this great game to the best of their ability.

Individuals do not win games, the Team wins games.
